WHO ARE THE FRIENDS?

A non-profit group whose members contribute their time, effort and moral support to programs and activities that benefit the library. Friends are people who wish to help improve and expand services of the Belleville Area District Library.

WHAT DO FRIENDS DO?

Provide financial assistance through used book sales and from membership dues or other fund-raising projects to purchase materials not provided for in the library budget.

Support and cooperate with the Library in developing library services and facilities for the community.

Encourage legislative support of libraries.

Receive, administer and encourage gifts, endowments and bequests on behalf of the Library.

Help to beautify the courtyard and grounds with shrubs, flowering bulbs, annuals and other plantings.

Fund children's programs, including the children's Summer Reading Program and Christmas party.

To see what the Friends are currently doing check the friend's web site that's listed off the main Library web page:

If you work for a company with a matching gift program for non-profit organizations, you have the ability to double or triple your donations. Check with your company for details.
