

Who are the Friends? What do they do?

The Friends are a non-profit group whose members contribute their time, effort, money, and moral support to programs and activities that benefit the library. Friends are people who wish to help improve and expand the services of the Belleville Area District Library.

The Friends are a 501(c)(3) non-profit organization. If you itemize your federal income tax deductions, you may include your monetary donations to the Friends (including your membership dues) on Schedule A, Form 1040.

Our past projects have funded the children's Summer Reading Program, which provides programming and reading incentives for kids during their summer vacation. We have also supported the Fall Harvest Fest and Winter Fest activities at the library, purchased chairs and book carts for staff, and paid to install new carpet for the youth room.
