

**Belleville Area District Library
Building Committee Notes
October 16, 2024**

The meeting convened at 9:40 am.

The following persons were present: Linda Priest, John Juriga, Joy Cichewicz, Sharon Peters, and Mary Jo Suchy.

The committee agreed to pursue the following projects with O'Neal Construction:

- ADA accessible automated door openers for the public restrooms
- Vape detectors for the public restrooms
- Replacement of the treads on the circular stairs to a black tread to better differentiate the steps.

The committee discussed the potential of solar energy, although they noted the space limitations and the fact that the roof was not designed for solar panels.

The meeting adjourned at 10:18 am.
