

Who are the Friends? What do they do?

The Friends are a non-profit group whose members contribute their time, effort, money, and moral support to programs and activities that benefit the library. Friends are people who wish to help improve and expand the services of the Belleville Area District Library.

The Friends are a 501(c)(3) non-profit organization. If you itemize your federal income tax deductions, you may include your membership dues and monetary donations to the Friends on Form 1040, Schedule A.

The Friends donate funds to support many of the BADL's projects and programs. We purchase prizes to motivate children, teens, and adults who participate in the library's annual Summer Reading Program. We sponsor the library's participation in community events such as Lake Fest, Harvest Fest and Winter Fest. Maintenance of the library's rooftop beehives is also paid for by the Friends of the Library!
